SUMMARY

Experienced video creator with 5 years of expertise blending dance and filmmaking backgrounds. Specializes in rhythmic, visually engaging storytelling. Proficient in all aspects from conceptualization to editing, work well in both independent projects and collaborative group productions.

EXPERIENCE

FREELANCE - Director, Videographer, Editor

Tokyo, Japan / Toronto, Canada (May 2019 - Present)

- Produced visual content tailored to the theme of a dance event, resulting in approximately a 20% increase in audience satisfaction compared to the previous year.
- Efficiently handled filming, editing, and DVD packaging on the day of the event, leading to a 97% purchase rate among dance school students.
- Created a documentary video for a local art store, showcasing the store's ideas and community, and actively contributed to its promotion. Additionally, crafted motion graphics aligned with the store's theme and story.

TOMOSHIBITO - Director, Videographer, Editor, Designer

Tokyo, Japan (January 2019 - December 2022)

- Explored the potential of dance and video expression, producing numerous video works.
- Researched impressions, playback time, and optimized thumbnails to boost views and audience retention, while studying lighting effects and compositing.
- Conceptualized and edited talk show style videos and behind-the-scenes footage to foster a closer connection with viewers, contributing to subscriber retention on the channel.

SUPERBLY INC. - Editor, Assistant Director

Tokyo, Japan (May 2019 - April 2022)

- Produced and edited concert videos, music videos, and web commercials, resulting in consistently satisfied repeat clients.
- Developed an editing guideline to train staff members, establishing standardized procedures and performance expectations.
- Handled clients/studios/suppliers through email and phone call with business communication skill.
